Presents:

THE 50-DAY STARTUP FOUNDER'S COURSE

"From Idea to Market Domination in Just 50 Days"

Welcome to the ultimate crash course for aspiring founders! Infunds India Club is proud to present a transformative program designed to turn your entrepreneurial dreams into reality. This course goes beyond theoretical knowledge—it equips you with actionable strategies, real-world market insights, and the tools you need to build a thriving business in the Indian market.

In just 50 days, you'll gain the confidence and expertise to launch and grow your venture while navigating India's unique business landscape.

Course Structure: The 50-Day Roadmap

- *Week 1: Foundation & Market Mastery.*
- *Week 2: Product-Market Fit & Startup DNA.*
- *Week 3: Financial & Fund raising Strategy.*
- *Week 4: Execution & Scaling.*
- *Week 5: On-Ground Learning & Investor Readiness.*
- *Week 6: Investor Pitch & Final Execution.*

What Makes This Course Unique?

- *Practical Learning: Go beyond textbooks with real-world case studies, actionable strategies, and on-ground experiences.*
- *Expert Mentorship: Guidance from seasoned entrepreneurs, financial advisors, and business leaders.*
- *Hands-On Experience: Live projects, market analysis, and direct interactions with Indian consumers.*
- *Fast-Track Approach: Learn everything you need in just 50 days, covering ideation, execution and scaling.*

In the business world, everyone is paid in two coins: cash and experience. Take the experience first; the cash will come later.
